

FEE POLICY

Payment for services is considered a part of your therapy. Please review the following information. If you have questions please discuss them with your therapist. Payment in full is expected at each session unless other arrangements have been made in advance.

Fees for The Cottage at 933 are as follows:

Initial Intake	\$170.00
60 Minute Sessions	\$160.00

I understand that by participating in therapy I am agreeing to pay for services in full. If I am utilizing health benefits I agree to pay any co-insurance or co-payment on the day of session. **I understand that I am financially responsible for all services rendered in the event that my insurance provider denies payment for any reason.** I authorize payment of medical benefits to The Cottage at 933 for mental health services provided.

Missed appointments: Unless canceled at least 24 hours in advance, missed appointments are charged at the rate of a normal office visit. Insurance does not reimburse for missed appointments, therefore, this fee becomes your responsibility to pay in full at your next therapy session. After 3 late cancellations or no show appointments or after 5 rescheduled appointments you may lose your appointment slot. Offering another time slot is at the discretion of your therapist. Keeping appointments is a crucial element of therapeutic success and failure to keep appointments is reason for termination of services.
